The Soul of Healteen Care

MISSION

Help people live healthier lives by bringing ancient herbal wisdom into modern natural healthcare — through lab-tested, trusted products that support pain relief, healthy aging, and daily body care.

VISION

Trusted international brand — USA first, then Canada, UAE, Gulf & Europe.

Core Values

Ancient Wisdom

Herbal traditions backed by modern science

Healthy Aging

Supporting adults 50–75 to stay strong

Natural Care

Pure herbal solutions, no harmful additives

Pain Relief

Back, neck, joint & muscle pain support

Trusted Quality

GMP, lab-tested & doctor-approved

01 BRAND STRATEGY — Target Audience · USP · Elevator Pitch

TARGET AUDIENCE

Primary:

- ✓ Adults & seniors aged 50–75
- ✓ People with chronic pain (back, neck, joints)
- ✓ Seeking natural, non-pharmaceutical solutions
- ✓ Want to stay active as they age

Secondary:

- Athletes & active adults
- Natural / herbal product enthusiasts

UNIQUE SELLING POINT (USP)

Ancient herbal wisdom — lab-tested, third-party verified, GMP-supported, and doctor-approved — brought into one trusted modern natural healthcare marketplace.

ELEVATOR PITCH (30–60 sec)

"Healten Care is a natural healthcare marketplace combining ancient herbal wisdom with modern science. We offer lab-tested herbal products, pain relief solutions, supplements, and selected medical devices — for people who want to care for their bodies naturally. Our mission: help you care for your body today, so it can care for you tomorrow."

Why customers buy herbal supplements:

-  Fear of side effects from pharmaceuticals
-  Desire to stay active & independent in older age

Trust in nature-based, generational remedies

Seeking affordable, daily self-care solutions

Secondary — Growth

Warm Gold #C89B3C

Premium Highlight

Soft Cream #F8F5EE

Background

Logo rules: color / dark / light versions. Keep clear space on all sides. Never distort or recolor.

Color Usage Rule

60% Deep Forest Green · 25% Cream/White · 10% Gold · 5% Terracotta or Accent Green

For web use HEX codes. For print use CMYK equivalents. Use 3–5 colors consistently across all brand materials.

Typography

Headlines

Slide titles, hero text, section headers
Georgia / Playfair Display · 36–44pt Bold

Accent Text

Taglines, pull quotes, herbal highlights
Lora (italic) · 12–14pt Italic

Body Text

Paragraphs, descriptions, product copy
Calibri / Open Sans · 14–16pt Regular

Persian Text

All Farsi / Persian language content
Vazirmatn / IRANSans · Match body size

Imagery Style

-  Natural herbs & botanical ingredients on warm backgrounds
-  Adults and seniors in active wellness settings
-  Clean product packaging — premium and minimal
-  Body silhouettes for pain relief visualization
-  Warm, soft lighting — never clinical or cold

Design Elements

-  Warm gold thin lines & dividers
-  Medical cross symbol (trust)
-  Body silhouette (pain relief)
-  Herbal / nature imagery
-  Clean cream backgrounds, soft shadows

Brand Feel: Warm · Premium · Natural · Trustworthy · Clean · Healthcare-Focused

How Healteen Care Sounds

Trusted

Calm and knowledgeable — like a caring healthcare professional. Never alarming.

Caring

Real concern for the customer's health and long-term wellbeing. Empathetic, never pushy.

Educational

Explains benefits, safe use, and product purpose in plain words customers can trust.

Practical

Every message leads to a clear next step. Simple, direct, and actionable.

Brand Tone — changes by platform:

Website

Formal · Professional · Clear · Trustworthy

Instagram / TikTok

Emotional · Caring · Educational · Friendly

Email Newsletter

Warm · Informative · Personal · Action-Oriented

Main Slogan:

Care Today. Live Strong Tomorrow.

Alt: Natural Relief. Lifelong Care. / Ancient Care for Modern Health. / Your Body Remembers Your Care.

5 Key Messages

- Care for your body today, so it can care for you tomorrow.
- Ancient herbal wisdom, trusted for modern everyday health.
- Natural support for pain relief, healthy aging, and daily wellness.
- Your body deserves care that is pure, trusted, and lab-tested.
- A healthier future starts with how you treat your body today.

VERBAL DO'S

- ✓ Use 'supports' / 'helps support' language
- ✓ Mention lab-tested only with documentation

VERBAL DON'TS

- ✗ Never promise to cure diseases
- ✗ Don't claim 'no side effects' as a guarantee
